Yes, I prefer to review at the same time.
Thanks,
Kathrine

Subject: RE: malaria technical guideline

Thanks!!! Do you prefer to review the two guidelines at the same time? I will coordinate with Alison.
Maddy

Hi Maddy,

I'm happy to review your malaria guidance. Let me know what I can do to help.

Thanks,
Kathrine

Hi Kathrine

I know you have been very helpful/supportive to PC in the past on a number of issues. Thanks again for your help in connecting me with Mike Green re. the drug analysis for antimalarials and for sharing the artesunate protocol. I have finally completed the update to our malaria diagnosis and treatment guidance for Peace Corps Medical Officers and Alison Colantino is completing the updates

to our malaria prophylaxis guidance. We are looking for outside expert review from the CDC and would greatly appreciate if you have time to do so. If not, can you please suggest someone else in the Division of Parasitic Diseases and Malaria who might be able to assist?

Thanks
Maddy
